

North Kent Lotus Group

Editorial

Dear Enthusiast.

A rather late newsletter this month. Life's been a bit too hectic lately to apply myself to producing anything, and then I managed to have a short holiday to get away from the hectic life, which didn't help matters.

Having at last produced something, you will see that it is a bit short. Not much to report, other than a very good turn-out for the April clubnight, which included the first appearance of our newest and (by some considerable margin) youngest member when Joshua Cook put in an appearance with his new Mum & Dad. Our congratulations to Trudi and Matt.

As ever, any contributions from the Membership to the newsletter would be very gratefully received.

My travels prevented me joining the Spring Run on 24th April. No news on how it went, but hopefully we'll have a report on that next month.

As we get further into spring the events pick-up. In May we have the Leeds Castle and Chrystal Palace events (both of which we have to pre-register for, so if you plan on going to either or both of these I hope you've done so), and there is the Valence hill-climb and car show in Westerham on 15th May. I have not visited the this event before, but I'm reliably informed it's a good event to visit, and it's also held in aid of a very worthwhile cause. If you have an interest in motorsport, the Elise Trophy series visits Brands Hatch on the same weekend, 14/15th May, so perhaps do Brands on Saturday and Westerham on Sunday!

Probably wishful thinking, but the weather must *surely* improve to match the title of the season sometime soon. Let's hope so, and we can get out and about enjoying our cars!

Final point, a gentle reminder if you've yet to pay your subscription.

Situations Vacant:

Newsletter Editor!

Or if all else fails, items or articles to entertain your fellow enthusiasts for inclusion in the newsletter.

Subscriptions

Family Membership for two or more	£8
Sole Membership	£5
Newsletter in Paper Form	£6.50
